COLLECTIVE BARGAINING AGREEMENT

PREAMBLE

This collective bargaining agreement is entered into between the County of Cook and the Sheriff of Cook County joint employers of employees covered by this Agreement (hereinafter collectively referred to as the "Employer") and The Metropolitan Alliance of Police, Chapter 261(hereinafter referred to as the "Union").

ARTICLE I **Recognition**

Section 1.1 Representative Unit:

The Employer recognizes the Union as the sole and exclusive representative for all employees of the Employer in the job classifications set forth in Appendix A of this Agreement and excluding all confidential employees, technicals, professionals, supervisors, managers, seasonal employees, all industrial relations and personnel department employees.

The term "Department" when used in this Agreement shall be understood as referring to the Communications Department of the Sheriff's Police Department; Vehicle Service Department of the Department of Administrative and Support Services; Electronic Monitoring Department of the Department of Community Supervision and Intervention (DCSI).

Section 1.2 Union Membership:

The Employer does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this Section, an employee shall be considered to be a member of the Union if he/she timely tenders the dues and initiation fee required as a condition of membership.

Section 1.3 Dues Check-off:

With respect to any employee from whom the Employer receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the Employer, the Employer shall deduct from the wages of the employee the dues and initiation fee required as a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union, and the Employer shall continue to retain a service charge of five cents (5¢) for making each such deduction.

Section 1.4 "Fair Share":

1. The County shall grant "Fair Share" to the Union in accordance with Sections 6(e)-(g) of the Illinois Public Labor Relations Act upon satisfactory demonstration to the County that the Union has more than fifty percent (50%) of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, all employees covered by this

Agreement will within thirty (30) days of the Union meeting said condition or within thirty (30) days of their employment by the County either (1) become members of the Union and pay to the Union regular Union dues and fees or (2) will pay to the Union each month their fair share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.

2. Such "Fair Share" payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the County the amount constituting said "Fair Share," not exceeding the dues uniformly required of members of the Union, and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours and other conditions of employment.
3. Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names and addresses of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.
4. Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, fifty percent (50%) of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verification of the terms of the escrow arrangement and, upon request, the status of the fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

5. If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

Section 1.5 Religion Exemption:

Employees who are members of a church or religious body having a bonafide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to pay an amount equal to their "Fair Share" of Union dues, as described in Section 4, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6 (g) of the Illinois Public Labor Relations Act.

Section 1.6 Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

ARTICLE II
Employer Authority

Section 2.1 Employer Rights:

The Union recognizes that the Employer has the full authority and responsibility for directing its operations and determining policy. The Employer reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the statutes of the State of Illinois, and to adopt and apply all rules, regulations and policies as it may deem necessary to carry out its statutory responsibilities; provided, however, that the Employer shall abide by and be limited only by the specific and express terms of this Agreement, to the extent permitted by law.

Section 2.2 Employer Obligation:

The Union recognizes that this Agreement does not empower the Employer to do anything that it is prohibited by law.

Section 2.3 Integrity of the Bargaining Unit:

Non-bargaining unit employees shall not be permitted to perform bargaining unit work except in emergency situations, in training situations where a supervisor or management personnel is teaching or instructing an employee, or where bargaining unit members are unavailable through no fault of the employer to perform required work other than with normal absenteeism and vacations, or where circumstances exist which are out of the ordinary and beyond the control of the employer. However, it is expressly understood and agreed that no outside agency shall perform Sheriff Telecommunication work.

If non-bargaining unit employees repeatedly perform bargaining unit work, this issue shall immediately be grievable at the second step of the grievance procedure.

Section 2.4 Union and Employer Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and Employer agree to meet periodically through designated representatives at the request of either party and at mutually agreed upon times and locations. The Union and Employer shall each designate not more than three (3) representatives to a Labor-Management committee for this purpose.

Section 2.5 Labor Management Meetings on Career Development:

Labor Management meetings will be held periodically to discuss employee training and education as well as job classifications. The Employer and the Union recognize the importance of training

programs, the development of career ladders and of equitable employment opportunity structures and seeks here to establish these goals through labor management meetings.

Toward this end, the Employer and the Union agree to establish a Labor/Management Committee. This committee shall review all training programs, their implementation and application to bargaining unit Sheriff employees.

The Labor Management Committee shall evaluate, discuss and recommend reclassifications and upgrades to the Sheriff. These recommendations shall be reviewed by the Sheriff, and if possible, any changes will be requested in the following fiscal year budget. The Labor Management Committee may also make recommendations to the Sheriff and the County concerning courses and in-service training to enhance career opportunities for employees in the bargaining Unit. When meetings are scheduled, a specific management representative will be assigned to attend the meetings.

Section 2.6 Union and County Meetings Respecting Health Care:

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees, each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, in which the agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

ARTICLE III
Hours of Work and Overtime

Section 3.1 Purpose of Article:

The provisions of this Article are intended to provide the basis for determining employee work schedules and as a basis for calculating overtime pay.

Section 3.2 Regular Work Periods:

- A. Telecommunications: Telecommunicators shall work four (4) consecutive days and off the next two (2) consecutive days.

Watch hours for Telecommunicators are as follows:

- 10:30 p.m. - 6:30 a.m. -- 1st Watch
- 6:30 a.m. - 2:30 p.m. -- 2nd Watch
- 2:30 p.m. - 10:30 p.m. -- 3rd Watch
- 7:30 p.m. - 3:30 a.m. -- Power Watch
- 11:30 a.m. - 7:30 p.m. -- Power Watch

Work schedules for all covered employees shall be posted at least thirty (30) days prior to the effective date of said schedule.

- B. **Electronic Monitoring Technicians:** The regular work day for a full-time employee shall consist of eight (8) consecutive hours of work within the twenty-four (24) hour period beginning at his/her scheduled starting time.

Watch hours for Electronic Monitoring Technicians are as follows:

24:00 - 08:00 -- 1st Watch
08:00 - 16:00 -- 2nd Watch
16:00 - 24:00 -- 3rd Watch

Electronic Monitoring Technicians shall work six (6) consecutive days and off the next two (2) consecutive days.

- C. **Vehicle Service:** The regular work day for a full-time employee shall consist of eight (8) consecutive hours of work within the twenty-four (24) hour period beginning at his/her scheduled starting time or as modified by the agreement of the parties. Vehicle Service workers at 23rd and Rockwell shall be allowed to choose shift assignments according to their length of seniority within the Vehicle Service Department. Where there are three (3) shifts, Vehicle Service workers shall be allowed to choose shift assignments according to their length of seniority within the Vehicle Service Department.

Vehicle service employees currently employed assigned to 23rd and Rockwell who were hired before December 1, 2001 shall not be required to work weekends unless they voluntarily choose to do so.

- D. Employees shall be paid every two weeks (bi-weekly). If possible, checks shall be distributed before lunch time on pay day.

Section 3.3 Compensatory Time and/or Overtime Compensation:

- A. Employees may be assigned to overtime work provided that such overtime shall be limited to either emergency conditions which cannot be deferred and which cannot be performed with the personnel available during normal work hours, or because of an abnormal peak load in the activities of the institution or department.
- B. An Employee shall be paid one and one-half times the average of the employee's regular hourly rate (including any differential) for all hours worked in excess of eight (8) in any regular work day, or over forty (40) in any regular work week. Employees shall not be laid off from their regular scheduled hours of work to avoid payment of overtime.

- C. The Employee may request and the Employer may, in lieu of overtime pay, grant compensatory time off at the rate of one and one-half (1.5) hours for each hour of overtime worked. All denials of a request shall be accompanied by an explanation.

Effective fiscal year 1998 (December 1, 1997) at the employee's option, overtime will be made in the form of compensatory time off or pay so long as there is sufficient money in the overtime budget.

- D. An Employee may "bank" up to 240 hours (6 weeks) of compensatory time. All overtime hours worked above this limit must be compensated for in accordance with subsection B of this section.
- E. An Employee terminating employment with the County shall be paid for unused compensatory time in accordance with the Fair Labor Standards Act (FLSA).
- F. The Employer shall allow employees to take accrued compensatory time off within a reasonable period after making the request when such time off does not unduly disrupt the operation of the office.

In an emergency situation, an employee shall be able to take accrued compensatory time off without coming into work to stamp a time card. This access to compensatory time off shall not be denied in a capricious, arbitrary or discriminatory manner.

Compensatory time off may be used in time blocks of one (1) hour or more at a time mutually agreed to between the employee and his/her supervisor.

- G. Payment for overtime work shall generally be in the next pay period following the pay period in which the overtime was worked. However, when the overtime account runs short and the Sheriff must go the County Board for transfer approval of additional funds to cover worked overtime, the Sheriff will notify the Union of the current state of the overtime and will report when the Board is to approve the additional overtime.

Section 3.4 Overtime Work Distribution (Telecommunications):

Section 3.4 Overtime Work Distribution (Telecommunications)

- A. Definition of an emergency shall be whenever there is one (1) person less than the amount of mandatory positions, set by management. If the staffing levels falls below the minimum level, set by management, and a Telecommunicator is unable to take a lunch/break then the Telecommunicator will get 1.5 hours compensatory time or pay. Extra backup positions will be used to cover lunch/break periods. Minimum staffing levels and mandatory positions will be set by management in order to cover the centers needs and may change depending on the need to staff Roadside Safety Checks, Community Resource Response Initiative (CRRI), Sheriff's Office Initiatives (SOI), Sex Offender Operations, or any other type of operation, position or incident where the 911 center is a needed resource.

Understanding of language in Section 3.4A

Example - Staffing on 2nd watch: minimum of 7 Telecommunicators covering 5 mandatory positions. This staffing scenario allows for an extra backup position to assist in the radio room. A medical would lower the staffing level below the minimum level of 7 which would result in an overtime hire back. If the overtime position is not filled, then Telecommunicators would still be able to take a lunch because there would be a backup to accommodate lunches for the 5 mandatory positions. If there was a second medical and no Telecommunicator took the overtime, then this would result in a no lunch/no break, in which the Telecommunicator would get 1.5 hours compensatory time or pay. If there were 3 medicals, in which the staffing dropped 1 below the coverage of the 5 mandatory positions, then it would result in forced overtime according to the current force policy agreement.

Example - Staffing on 3rd watch: Minimum of 6 Telecommunicators covering 5 mandatory positions. A medical would lower the staffing levels below the minimum level of 6 which would result in an overtime hire back. If the overtime position is not filled, then this would result in a no lunch/no break, in which the Telecommunicator would get 1.5 hours compensatory time or pay. If there were 2 medicals, in which the staffing dropped 1 below the coverage of the 5 mandatory positions, then it would result in forced overtime according to the current force policy agreement.

B. Overtime distribution shall occur in the following manner:

1. An overtime list shall be posted for each watch and each shift. Employees who desire to be called for available overtime on those watches and shifts shall place their name on the overtime sheets. Telecommunicators should put their names on all the lists corresponding to the watch and shift for which they desire to work.
2. On the first posting of overtime opportunities, management shall reorder the list by radio room seniority according to the seniority for each watch and shift. Overtime opportunities shall be first offered to the person on the top of the list. After the person is offered the overtime, the list will note date of overtime worked and the name will go to the bottom of the list. If the person refuses the overtime, their decline of the overtime opportunity will be noted and their name will go to the bottom of the list. If the person is not reached, their name will stay at the top until they work overtime or they refuse overtime.
3. Any and all T/C's added to the list after the first of the year shall be added to the bottom of the overtime list. Overtime opportunities shall be first offered to the person at the top of the list and if that person is not reached in five minutes the next person on the list will be contacted and so on until the overtime is filled. When a T/C takes the overtime or refuses the overtime, they will be moved to the bottom of the overtime seniority list the next person on the list shall be the first person offered the next overtime assignment and so on. When attempting to fill a shift, the practice of finding a person to take all eight (8) hours or finding two people to take four hour blocks will continue to be the accepted practice.

Should all employees on the list refuse, then the least senior employee must stay. However, this employee will not be compelled to work more than four (4) hours overtime per shift until overtime calls are made to the next watch by seniority to obtain another individual to fill in.

4. The overtime list shall be maintained and posted. An employee who wants to add their name to the overtime opportunity list shall give written memoranda to the watch commander when they wish to begin working overtime. The employee's name shall then be added to the bottom of the overtime opportunity list.

If an employee accepts overtime, they will be considered in an on-duty status for the period of that overtime. Failure to report for duty at the committed time or cancellation within twenty-four (24) hours prior to the overtime will result in removal from the call out list in the manner set forth below:

1st offense in a twelve (12) month period:

Removal from the overtime list for the following calendar month
(1st through 1st of the month).

2nd or any subsequent offenses in a twelve (12) month period:

Removal from the overtime list for three (3) following calendar months (1st through 1st of the months).

Section 3.5 Overtime Work Distribution (EMT):

Overtime distribution shall occur in the following manner:

- A. To ensure continuity of Monitoring Operations overtime will be offered to on-duty E.M.U. Technicians on a no-rotating seniority basis.
- B. Should all on duty technicians refuse the overtime opportunity, then the technician with the least amount of seniority must remain on duty to cover the vacancy. E.M.U. Technicians from the oncoming watch will then be contacted and offered the overtime opportunity in the same manner as A. above. Upon arrival of a Technician from the oncoming watch the Technician ordered to work overtime will be relieved.

Section 3.6 Lunch Breaks:

- A. **Telecommunications:** When a watch commander approves employees' time cards because of shortages on the shift, those employees shall receive 1.5 hours overtime in lieu of lunch. Management shall not over-ride the decision of the watch commander by later denying the overtime after the employees have already given up their lunch.

When an employee must work at least five (5) hours of the shift to earn a ½ hour lunch and six (6) hours of the shift to earn an hour's lunch.

- B. Electronic Monitoring Technicians: When a watch commander approves a technician to work during his or her lunch period that technician shall be compensated 1.5 hours in lieu of lunch. An employee must work at least five (5) hours of the shift to earn a ½ hour lunch and six (6) hours of the shift to earn an hour lunch.

Section 3.7 Flextime:

Any employee in the bargaining unit may make arrangements with the Sheriff/Designee for a schedule that provides for early or late arrival or departure with the permission of the Watch Commander. Flextime shall not be granted or denied in a discriminatory or arbitrary manner.

Union Stewards can attend labor-management meetings, Union meetings (one (1) person once a month with adequate advance notice) and grievance hearings on County time.

Section 3.8 Acting Watch Commander:

Any bargaining unit employee who is qualified and required to perform the duties of a watch commander shall be compensated an additional ½ hour if they perform as a watch commander for four (4) or less hours and additional one (1) hour if they perform as a watch commander for more than four (4) hours. This does not apply to civilian supervisors.

Section 3.9 Breaks for Holdovers:

If a regular bargaining unit member works an additional four (4) hours past their regular eight hour schedule, that individual shall receive an additional thirty (30) minute lunch/break included within those four (4) hours. If a bargaining unit member works an additional eight (8) hours past their regular eight (8) hour schedule, that individual shall receive an additional one-hour (1) paid lunch/break included within those eight (8) hours.

ARTICLE IV
Seniority

Section 4.1 Probationary Period:

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be one hundred eighty (180) calendar days (three hundred and sixty-five (365) for Telecommunications). The probationary period shall be extended for a period equal to the time required for any formal training program required of any probationary employees and the Union shall be consulted about the instituting of any such training program which extends the probationary period. During the course of the probationary period the employee is eligible for assignment to any watch hours. A probationary employee is not eligible for shift bids during the probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period for any just cause and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of his/her most recent hire.

Section 4.2 Definition of Seniority:

- A. Except for benefit accrual (weeks of vacation earned and pension) the application of seniority is by length of time in the Communications Department of the Sheriff's Police Department.
- B. Except for benefit accrual (weeks of vacation earned and pension) the application of seniority in the Vehicle Services Department is by length of time in the Vehicle Services Department.
- C. Except for benefit accrual (weeks of vacation earned and pension) the application of seniority in the Electronic Monitoring Department is by length of time in the EM Department, after an individual has been in the department for six (6) months.

Section 4.3 Promotion, Transfers:

In cases of promotion and transfer, employees shall have first preference in order of their department seniority, (Communications Department, Vehicle Service Department, DCSI), provided that the employee has the ability and qualifications to perform the required work.

Section 4.4 Reduction in Work Force, Layoff and Recall:

A layoff is defined as the termination of employee's employment with a right of recall for a period of twelve (12) months following the effective date of the layoff for an employee with fewer than twelve (12) months of seniority. Employees with twelve (12) or more months of seniority, recall rights will be for a period of twenty-four months following the effective date of the layoff. Should the Employer determine that it is necessary to decrease the number of employees within a job classification, within a department, the employees to be laid off in that classification shall be removed from it in inverse order of department seniority. Employees and the Union shall be given notice thereof at least thirty (30) days prior to the effective date. Employees laid off as a result of this procedure shall be subject to recall in order of seniority before new employees are hired in the classification held by them at the time of the reduction in force.

Section 4.5 Promotion and Shift Assignment:

Telecommunicators shall be allowed to choose shift assignment according to their length of seniority within the Communications Department. There shall be a rebidding for shift assignments annually in November of each year. Vacations shall be bid in December. The shift assignment shall go into effect in January.

Vehicle Service workers shall be allowed to choose shift assignment according to their length of seniority within the Vehicle Services Department.

In cases of promotion and transfer for Electronic Monitoring Technicians, employees shall have first preference in order of their seniority in the Electronic Monitoring Department, provided that the employee has the ability and qualification to perform the required work.

Training

The LEADS delegate position is understood to be the function of a Supervisor.

Section 4.6 Return to Former Job:

An employee who has been promoted or transferred to another job within the represented unit may be returned by the Sheriff to his/her former job or an equivalent position, within ninety (90) calendar days or before completion of a formal training program, if the employee does not demonstrate the ability and qualifications to satisfactorily perform the job to which promoted or transferred. An employee who has accepted another job within the represented unit may ask to return to his/her former job within ten (10) working days after commencing work on the new job.

Section 4.7 Vacations:

Within the Telecommunications Department vacations shall be bid by watch and seniority within that watch in December of each year.

Within the Electronic Monitoring Department vacations shall be bid by watch and seniority within that watch in January of each year.

Section 4.8 Termination of Seniority:

An employee's seniority and employment relationship with the Employer shall terminate upon the occurrence of any of the following:

- Resignation or retirement;
- Discharge for Just Cause, including but not limited to the following:
 1. Absence for three (3) consecutive work days without notification to the department head or a designee during such period of the reason for the absence, unless the Employee has an explanation acceptable to the Employer for not furnishing such notification;
 2. Failure to report to work at the termination of a leave of absence or vacation, unless the employee has an explanation acceptable to the Employer for such failure to report for work;
 3. Absence from work because of layoff or any other reason for six (6) months in the case of an employee with less than one (1) year of service when the absence began, or twelve (12) months in the case of all other employees, except that this provision shall not apply in the case of an employee on an approved leave of absence, or absent from work because of illness or injury covered by duty disability or ordinary disability benefits;

The Employer may put the new and changed job classifications or duties into effect after timely notice to the Union, and discuss and set the rate of pay with the Union, using the duties, responsibilities, qualifications and grade levels of the classifications in Appendix A as a guide for determining the new rate. If the parties are unable to agree on the rate of pay, the Employer may put a rate into effect, and the Union, thereafter, may submit any dispute to the grievance procedure.

- B. An employee also may request that his/her position be reclassified, and the request will be reviewed by the employee's Department Head; if the Department Head agrees that the request is reasonable and/or justified, the Department Head will recommend to the Sheriff that this reclassification be included in the forthcoming departmental budget request. The Employer will discuss any reclassifications with the Union prior to implementation.
- C. Within thirty (30) days after the effective date of this Agreement, the parties shall begin regular meetings of a joint committee that shall be established to discuss current job titles and pay grades of bargaining unit employees.

The committee shall begin meeting each year to review Local Union and employee-generated requests for upgrades and reclassifications.

 - 1. The new salary does not exceed the maximum established for the grade to which the employee is promoted.
 - 2. The new salary is not below the first step established for the grade to which the employee is promoted.

If the new classification represents a promotion from a classification outside the represented unit to a classification within the represented unit, the employee shall be placed in the lowest step in the progression schedule for the new classification which will provide the employee an increase in pay. In all cases of promotion, the effective date will set a new anniversary date for the purposes of the salary schedule only.

B. Reclassifications:

1. An employee whose job is reclassified to a lower classification shall continue to receive compensation at the same rate received immediately prior to reclassification. Such action shall not change the employee's anniversary date.

2. An employee whose job is reclassified to a higher classification shall be placed in the first step of the higher grade which provides an increase one (1) step above the salary received at the time of the reclassification. Such action will change the employee's anniversary date. In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified.

C. Demotions: The following shall apply to demotions from one grade to another:

1. An employee performing the duties of a job continuously and demoted to a job in a lower salary grade, shall have the salary adjusted in the new job to the same step of the new salary grade as was received in the salary grade of the job from which demoted.
2. An employee promoted to a job in a higher salary grade and subsequently demoted to a job in a lower salary grade, shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which the employee was promoted.

D. Transfers: An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary the employee has been receiving at the time of transfer. Such appointment shall not set a new anniversary date.

Section 5.4 Part-time Employees:

Part-time employees who are compensated from the Extra and Overtime Account shall receive the hourly rate provided for the respective grade and length of service as set forth in Appendix A of this Agreement. The hourly rate for part-time employees will equal the first step of the salary grade divided by one hundred seventy-four (174).

Section 5.5 Job Descriptions:

Job descriptions for each position in the bargaining unit shall be maintained in the Employer's offices and shall be given to each current employee upon request and to each new employee when they assume the position. Section 10.8 Educational Leave:

Upon request, a leave of absence for a period not to exceed one (1) year may be granted to a full-time employee with at least two (2) years of County service, if operational needs allow, in order that the employee may attend a recognized college, university, trade or technical school, or high school, provided that the course of instruction is logically related to the employee's employment opportunities with the County such leave shall not be arbitrarily or capriciously denied. The Union will send copies of grievances appealed at Step Three to the County's Director, Department of Human Resources, his/her designee. It is recognized that because a joint employer relationship exists in this Agreement certain grievances are appropriately answered by the Sheriff and others by County's Bureau of Human Resources, depending on the subject of the grievance.

Section 11.3 Representation:

Only the aggrieved employee(s) and/or representatives of the Union may present grievances. Employees may take up grievances through Steps One to Three either on their own and individually or with representation by the Union. If an employee takes up a grievance without Union representation, any resolution of the grievance shall be consistent with this Agreement and the Union representative shall have the right to be present at such resolution. A grievance relating to all or a substantial number of employees or to the Union's own interests or rights with the Employer may be initiated at Step Two by a Union representative. Grievances may be initiated at Step 3 by mutual agreement between the Union and the Employer.

Section 11.4 Grievance Procedure Steps:

The steps and time limits as provided in the Employer's Grievance Procedure are as follows:

Step	Submission Time Limit this step (calendar days)	To Whom submitted	Time Limits Meeting	Response
1	30 days	Immediate Supervisor	10 days	10 days
2	10 days	Department Head	10 days	10 days
3	10 days	Sheriff/Designee	30 days	30 days
4	30 days	Impartial Third Party	30 days	30 days

Section 11.5 Time Limits:

The initial time limit for presenting a grievance shall be thirty (30) days and the same limit shall apply to hearings and decisions at Step Four. Time limits may be extended by mutual agreement in writing between the employee and/or the Union and the Employer. For errors in pay, the time period shall be six (6) months.

There shall be strict adherence to the time limits described within the grievance procedure by both employer and employee and/or Union. Time extensions may be granted upon mutual agreement and shall be in writing.

If the employer fails to respond within the time limits, the grievant and/or the Union shall have the right to advance the grievance to the next step of the grievance procedure up to and including arbitration.

Section 11.6 Stewards:

The Union will advise the County in writing of the names of the Chief Stewards and/or Stewards in each department or area agreed upon with the County and shall notify the County promptly of any changes. Upon obtaining approval from their supervisor before leaving their work assignment or area, the Chief Steward or Steward or in cases of new Steward orientation, the Chief Steward and/or Steward will be permitted to attend labor-management meetings, contract negotiations, appeal hearings and grievance hearings during normal hours without loss of pay, provided that such activity shall not exceed a reasonable period of time, and provided that the operations of the Employer are not adversely affected. In all cases the primary mission of the Employer and proper manpower considerations shall be controlling.

The Employer will grant the Union an opportunity during the orientation of new employees to present the benefits of Union membership, at which time the Union may give such employees a copy of this Agreement. If such opportunity is not offered, the Steward will provide Union orientation on work time. Such orientation will be scheduled at a time and place mutually agreeable to the Steward, Employee and Supervisor involved.

Only one (1) Electronic Monitoring Technician will act as a steward on each watch.

Section 11.7 Union Representatives:

Duly authorized business representatives of the Union will be permitted at reasonable times to enter the appropriate County facility for purposes of handling grievances or observing conditions under which employees are working. These business representatives will be identified to the Sheriff/Designee in a manner suitable to the Employer and on each occasion will first secure the approval of the Sheriff/Designee to enter and conduct their business so as not to interfere with the operation of the Employer. The Union will not abuse this privilege, and such right of entry shall at all-time be subject to general Sheriff Department rules applicable to non-employees.

Section 11.8 Impartial Arbitration:

If the Union is not satisfied with the Step 3 answer, it may within thirty (30) days after receipt of the Step 3 answer submit in writing to the Sheriff notice that the grievance is to enter impartial arbitration. The parties will select an arbitrator from a permanent panel of arbitrators agreed upon by both parties. The Union and the County will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding. If the two parties fail to reach agreement on an Arbitrator within ten (10) days, the Sheriff and Union may request the Local Labor Relations Board, American Arbitration Association or the Federal Mediation and Conciliation Service to provide a panel of arbitrators. Each of the two parties will confer within seven (7) days of receipt of the panel to alternately strike one name at a time from the panel until only one shall remain. The remaining name shall be the Arbitrator. The Union and the Sheriff will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding.

Expenses for the Arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the County and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the Arbitrator in writing by the Sheriff and the Union. His/her decision must be based solely upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

The Union and the County shall meet within thirty (30) days after the effective date of this Agreement for the purpose of selecting a permanent panel of seven (7) arbitrators. The arbitrators shall be selected on a rotating basis. Either party shall have the authority to strike an arbitrator from the permanent panel at any time. The struck arbitrator will proceed on the cases currently assigned, but will not receive any new case assignments. In the event that an arbitrator is struck from the panel, the parties shall meet as soon as possible to choose a mutually agreed upon replacement. Nothing herein shall prevent the parties, by mutual agreement, from selecting an arbitrator from outside the panel. Absent such mutual agreement, the arbitrator shall be selected from the panel in accordance with the above procedure.

Section 11.9 Appeal of Discipline: (Telecommunications Only)

The employee has the right to petition for appeal of a summary discipline action. The appeal is heard by an impartial appeal board and a final decision is rendered. Should the employee be dissatisfied with the appeal decision, they can then file a grievance. Both management and the Union consider a grievance timely filed if it is within thirty (30) days of the rendered appeal decision. This Article does not apply to oral and written reprimands, which are not grievable or appealable.

ARTICLE XII

Continuity of Operation

Section 12.1 No Strike:

The Union will not cause or permit its members to cause, and will not sanction in any way, any work stoppage, strike, picketing or slowdown of any kind or for any reason, or the honoring of any picket line or other curtailment, restriction or interference with any of the Employer's functions or operations; and no employee will participate in any such activities during the term of this Agreement or any extension thereof.

Section 12.2 Union Responsibility:

Should any activity prescribed in Section 1 of this Article occur, which the Union has or has not sanctioned, the Union shall immediately:

- (a) publicly disavow such action by the employees or other persons involved;
- (b) advise the Employer in writing that such action has not been caused or sanctioned by the Union;
- (c) notify the employees stating that it disapproves of such action instructing all employees to cease such action and return to work immediately;
- (d) take such other steps as are reasonably appropriate to bring about observance of the provisions of this Article, including compliance with reasonable requests of the Employer to accomplish this end.

Section 12.3 Discharge of Violators:

The Employer shall have the right to discharge or otherwise discipline any or all employees who violate any of the provisions of this Article. In such event, the employee or employees, or the Union in their behalf, shall have no recourse to the grievance procedure, except for the sole purpose of determining whether an employee or employees participated in the action prohibited by this Article. If it is determined that an employee did so participate, the disciplinary action taken by the Employer may not be disturbed.

Section 12.4 No Lock-Out:

The Employer agrees that it will not lock out its employees during the term of this Agreement or any extension thereof.

Section 12.5 Reservation of Rights:

In the event of any violation of this Article by the Union or the Employer, the offended party may pursue any legal or equitable remedy otherwise available, and it will not be a condition precedent to the pursuit of any judicial remedy that any grievance procedure provided in this Agreement is first exhausted.

ARTICLE XIII

Tuition and Reimbursement

Section 13.1 Education and Seminars:

Employees who attend approved seminars which are related to their job shall receive pay for the hours they otherwise would have worked. If all employees wishing to attend a particular seminar are not able to attend, selection shall be made on the basis of seniority.

Employees who desire to take a course or courses of instruction not offered by a City or suburban junior college shall submit their request through the Union to the Director of Department of Human Resources of the County.

The County agrees to allocate funds for education purposes in each year of this Agreement to be made available to all MAP bargaining unit employees. The amount allocated shall be an aggregate total of ten thousand dollars (\$10,000) for MAP bargaining units. Employee requests for such funds shall be for reimbursement for the costs of courses offered through any certified educational institution, including community colleges, continuing adult education, and other training or technical institutions. Such course work shall be employment related. An employee may request funds up to an amount no greater than one hundred fifty dollars (\$150) in a fiscal year. Approval for reimbursement shall be offered on an equitable basis.

Note: This is for courses which are not required as a condition of employment by the employer.
Ex. This does not cover the special 911 training which shall occur. 911 training shall be fully at the Employer's expense.

Section 13.2 Posting of Openings:

All courses and training programs presently available through the County will be posted on all bulletin boards where notices to employees are normally posted. These postings will be for a period of five (5) working days during the period when each course or program is open for application.

Section 13.3 Special Training-Telecommunications:

The employer shall be responsible for providing training to all communications personnel with the advent of any new technology or job requirements during working time. An employee will be compensated for training another employee at the rate of one (1) hour of pay or compensatory time for every eight (8) hours of training.

ARTICLE XIV

Miscellaneous

Section 14.1 No Discrimination:

No employee shall be discriminated against on the basis of race, color, sex, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, political affiliation and/or beliefs, or activity or non-activity on behalf of the Union. The County and the Union acknowledge that the County of Cook has adopted and implemented a human rights ordinance which will be complied with.

Section 14.2 Safety, Work Environment and Health:

- A. General. The Employers shall endeavor to provide a safe and healthful work environment for all employees. The Employers agree to comply with all applicable state and federal laws. The parties shall share information adequately and fully in order to assure that health and safety issues are adequately addressed. Where there is a serious threat to the health and safety of an employee or employees and the situation necessitates a speedy resolution, the issue shall be immediately referred to the appropriate committee as set forth in Section 2 below.
- B. Health and Safety Committee. The Employers and Union shall establish a joint labor/management Health and Safety Committee. The parties shall also establish joint subcommittees, as needed, by work location. Issues of a County wide nature, and those not resolved in the subcommittees, shall be discussed in full committee. The full committee and the subcommittees shall meet at least quarterly. Additional meetings shall be scheduled as needed to assure that issues are adequately addressed.

The Committee and subcommittees shall meet for the purpose of identifying and correcting unsafe or unhealthy working conditions, including inadequate ventilation, ergonomically incorrect equipment, unsanitary conditions, inadequate personal security for employees or inadequate lighting.

Within a reasonable period of time after the effective date of this agreement, the parties agree to meet to establish the composition and operation of the committee(s).

- C. Video Display Terminals. The Employer and the Union will attempt to keep current with monitoring studies and reports on the effects, if any, of video display terminals and their effect on the health and safety of the operators.

The Employers agree that employees who operate VDT's will be granted fifteen (15) minute breaks away from the screen in the first and second half of their shifts. For those employees who already receive two fifteen (15) minute breaks, this provision is not in addition to those breaks currently granted. Pregnant employees and employees who are nursing and who regularly operate VDT's may request an adjustment, temporary transfer, or other change in their assignment, if such assignment or change can reasonably be made and is consistent with the Employer's operating needs. Once the employee is no longer pregnant or nursing, the employee shall be allowed to return to her original position if available.

Employee complaints about CRT/VDT screen glare will be investigated and action taken to correct the problem within two (2) weeks of the complaint. If attempts to correct the glare through modifications of the working environment do not succeed, the employer will provide glare screens.

- D. Communicable Diseases. The Employer and the Union are committed to taking reasonable necessary steps to limit and/or prevent the spread of communicable diseases in the workplace. Therefore, generally, the County agrees as follows:

1. To provide training and/or distribute written materials to employees regarding the protocols for preventing the spread of communicable diseases. The extent and level of training will vary based on the needs of the applicable entity.
2. To make professional medical counseling available to any employee who has reason to believe that she/he has become infected with TB, HI, or Hepatitis B during the course of his/her employment. The Employer shall make available to the employee who has occupational exposure during the course of his/her employment to blood or body substances or airborne particles, a Hepatitis B vaccine, and TB vaccine at no cost to the employee.

Specific concerns related to the health and safety of employees may be referred to the applicable Health and Safety Committee or Sub-Committee.

Section 14.3 Bulletin Boards:

The Employer will make bulletin boards available for the use of the Union in non-public locations. The Union will be permitted to have posted on these bulletin boards notices of a non-controversial nature, and shall submit a copy of them to the Sheriff or his designee for approval. There shall be no distribution or posting by employees of advertising or political material, notices or other kinds of literature on the Employer's property other than herein provided.

Section 14.4 Partial Invalidity:

In the event any of the provisions of this Agreement shall be or become invalid or unenforceable by reason of any Federal or State law or local ordinance now existing or hereinafter enacted, such invalidity or unenforceability shall not affect the remainder of the provisions hereof. The parties agree to meet and adopt revised provisions which would be in conformity with the law.

Section 14.5 Sub-Contracting:

It is the policy of the Employer to continue to utilize its employees to perform work they are qualified to perform. The Employer may, however, subcontract where circumstances warrant. The Employer will advise the Union at least five (5) months in advance when such changes are contemplated and will discuss such contemplated changes with the Union, pursuant to the Illinois Public Labor Relations Act of 1984. The Employer will work with the Union in making every reasonable effort to place adversely affected employees into other bargaining unit positions.

Section 14.6 Personnel Files:

Upon written request to the Department Personnel Office, an employee may inspect his/her personnel file at any time mutually acceptable to the employee and employer. Copies of materials in an employee's personnel file shall be provided to the employee upon his or her request. An employee may file a written rejoinder, to be placed in his/her personnel file, concerning any matter in the file.

Section 14.7 Discipline:

The Employer shall not demote, suspend, discharge or take any disciplinary action against an employee without just cause. Employees who are to be or may be disciplined are entitled to Union Representation exclusively in any disciplinary proceedings. The Union and the Employer agree that

discipline should be timely, progressive and accompanied by counseling where appropriate. A written reprimand or suspension of three days or less (as a result of a summary punishment action request from SPAR) will be disregarded and removed from an employee's personnel file after twelve months from the issuance of the discipline SPAR, provided that the employee has received no other written reprimand or suspension for a similar offense during the twelve month period. If there is another similar written reprimand or suspension during this twelve month time period, then the discipline SPAR will be removed eighteen months after the employee's last reprimand or suspension.

Complimentary documentation will be disregarded and removed from the employee's personnel file eighteen months from the subject incident and returned to the employee upon the affected employee's written request.

Section 14.8 Conduct of Disciplinary Investigation:

Whenever an employee covered by this Agreement is the subject of a disciplinary investigation by OPR or similar type agency, the interrogation will be conducted in the following manner:

- A. The interrogation of the employee shall be scheduled while the employee is on duty or between the hours of 9 a.m. to 5 p.m. at OPR Headquarters or at the employee's place of work or other appropriate location.
- B. Prior to an interrogation, the employee under investigation shall be informed of the identity of the person in charge of the investigation, the interrogation officer and the identity of all persons present during the interrogation. When and if a formal statement is taken, all questions directed at the employee shall be asked by and through one interrogator.
- C. No anonymous complaint made against an employee shall be made the subject of an investigation unless the allegation is of a criminal nature.
- D. Immediately prior to the interrogation of the employee under investigation, he/she shall be informed in writing of the nature of the complaint and the names of all complainants.
- E. The length of the interrogation shall be reasonable with reasonable interruptions permitted for personal necessities, meals, telephone calls, and rest.
- F. An employee under interrogation shall not be threatened with transfer, dismissal or disciplinary action or promised a reward as an inducement to provide information relating to the incident under investigation or for exercising any rights contained herein.
- G. An employee under investigation will be provided without unnecessary delay with a copy of any written statement he/she has made.
- H. If the allegation under investigation indicates a recommendation for separation is probable against the employee, the employee will be advised of their rights of representation and/or if the allegation indicates criminal prosecution is probable against the employee, the employee will be given the constitutional rights concerning the Fourth (4th), Fifth (5th) and Fourteenth (14th) Amendments.

- I. An employee under interrogation shall have the right to be represented by a representative of the Union or to have representation by counsel of his/her choice and to have that counsel of representative present at all times during the interrogation. The interrogation shall be suspended for a reasonable time until representation can be obtained.

Section 14.9 Bargaining Unit Work:

It is the intent of the Employer that Police Officers will not perform bargaining unit work nor shall bargaining unit members perform other bargaining unit work (such as the switchboard) except in bona fide emergencies or where circumstances are beyond the control of the employer.

Section 14.10 Uniform Allowances:

- A. Vehicle Services. All Vehicle Services employees shall receive a uniform allowance of three hundred seventy-five dollars (\$375) per year and a tool allowance of two hundred fifty dollars (\$250). This three hundred seventy-five dollars (\$375) and two hundred fifty dollars (\$250) shall be payable in the first month of every calendar year. Those employees whose primary function is not vehicle service and who are issued uniforms on a quartermaster system shall not be eligible to receive said uniform allowance.
- B. Communications. The Employer will provide Radio Room telecommunicators with uniforms and uniform allowance of three hundred fifty dollars (\$350) per year effective December 1, 1997.

Note on Switchboard:

Management will hold further discussions with the Union regarding Switchboard functions.

Section 14.11 Day Care:

A Day Care Committee composed of a mutually agreed upon equal number of Union and County representatives shall meet to study the feasibility of establishing day care centers for the dependents of employees of the County. This Committee will meet at the request of the Union, within sixty (60) days after ratification of the Collective Bargaining Agreement.

Section 14.12 Travel Reimbursement:

Employees required to use personally owned automobiles in the course of their employment shall be reimbursed at the rate of 32.5 cents per mile in accordance with the Cook County Travel Expense Reimbursement Policy. Such rate shall be adjusted upward, as necessary, to ensure that employees are paid the maximum allowable by County policy. Whenever the IRS raises its rates above the County rate, the higher rate shall be submitted to the County Board within a reasonable period of time but not later than thirty (30) days prior to the start of the next fiscal year.

County employees, with prior permission of their Department head may use private vehicles for County business and shall do so in accordance with the Cook County Vehicle Policy Ordinance.

Section 14.13 Americans with Disabilities Act:

Whenever an employee (or the Union at the request of an employee) requests an accommodation under the Americans with Disabilities Act ("ADA"), or an accommodation of an employee is otherwise contemplated by the Employer -- the Employer, the employee and the Union shall meet to discuss the matter.

It is the intent of the parties that any reasonable accommodations adopted by the Employer conform to the requirements of this Agreement where practicable. The Employer may take all steps necessary to comply with the ADA. Any such steps which might conflict with the terms of this Agreement shall be discussed with the Union prior to implementation. The parties shall cooperate in resolving potential conflicts between the Employer's obligation under the ADA and the rights of the Union. Neither party shall unreasonably withhold its consent to the reasonable accommodation of an employee. The Employer agrees that it shall not apply this section in a discriminatory, arbitrary or capricious manner.

Nothing in this section shall require the employer to take any action which would violate the ADA or any other applicable statutes. Information obtained regarding the medical condition or history of an employee shall be treated in a confidential manner.

Section 14.14 Bilingual Pay

Employees, whose positions require the employee to be bilingual, or to use sign language, shall receive an additional fifty dollars (\$50) per month.

Section 14.15 Welfare to Work:

1. Welfare recipients and participants in welfare to work initiatives will not displace or replace regular employees. For example, if there is ten (10) Radio Dispatchers and five (5) welfare recipients and participants in welfare to work initiatives, and two (2) Radio Dispatchers retire; the Employer will not replace the two (2) regular vacant positions with two (2) additional welfare recipients and participants in welfare to work initiatives raising their number to seven (7). This policy however does not require the Employer to fill vacancies which they desire to keep vacant.
2. Bargaining unit work that constitutes the normal duties and responsibilities of regular employees on current payroll will not be removed and reassigned to welfare recipients and participants in welfare to work initiatives. Welfare recipients and participants in welfare to work initiatives will be assigned work in a manner that will not jeopardize the job classification of the current employees.
3. Welfare recipients and participants in welfare to work initiatives will in no way interfere with the contractual procedures for filling vacancies. The contractual procedures will be used for filling bargaining unit vacancies.
4. The Union will be notified when the County determines to use welfare recipients and participants in welfare to work initiatives.

Section 14.16 Credit Union:

After approval by the County Board, the County shall deduct from the wages of the employees who so authorize, and remit payments to the Metropolitan Alliance of Police Credit Union or the County's Pay Saver Credit Union.

Section 14.17 Requests for Time Off (Telecommunicators):

At the Employer's option, requests for the use of accrued vacation time, compensatory time and/or personal time may be granted to Telecommunicators on less than forty-eight (48) hours notice.

Requests for the use of accrued vacation time, compensatory time and/or personal time may be submitted by the T/C in person, thirty (30) days in advance, on a time card, to the on duty watch commander. Request for time off under twenty-nine (29) days in advance may be submitted by telephone to the on duty watch commander and shall be reduced to writing as soon as practicable. The on duty watch commander, upon receipt, will approve this time off request where manpower levels exceed the minimums. Said requests will not be unreasonably denied.

Section 14.18 Drug Testing:

The Joint Employers and union agree to the provisions of the Sheriff's Civilian Drug-Free Workplace Policy, attached herein and made a part of this labor agreement, as Appendix "D". No other Policy may be substituted without discussion between the parties.

In addition to other provisions of the Sheriff's Civilian Drug-Free Workplace Policy, contained in this Agreement between the parties, the following is agreed to:

1. The parties agree that Appeals relating to a drug screening that yields a positive test result shall be immediately eligible for binding arbitration. Only the union may request arbitration under this agreement.

ARTICLE XV

Memorandum of Understanding

Cook County and MAP 261 hereby clarify as follows their understanding of Section 3.4 Part B.3 of the current Collective Bargaining Agreement last dated from 2008-2012.

The section reads: *When attempting to fill a shift after all employees refuse overtime, the least senior employee must stay. However this employee cannot be compelled to work more than 4 hours in addition to their regular shift.* Both parties agree that any Telecommunicator who has already volunteered for overtime cannot have compelled, or forced, overtime added to that voluntary overtime. No Telecommunicator can be compelled to stay longer than 12 total hours (8 hour regular shift plus 4 hours of overtime voluntary or forced).

Both parties also agree that only Telecommunicators serving on their scheduled work day can be compelled, or forced, to work additional hours. No Telecommunicator who is working voluntary overtime may have additional overtime forced upon them. No Telecommunicator will be forced to work additional hours if it prevents a minimum of 12 hours between their forced overtime and adjoining regularly scheduled shift.

While all other language in this section remains as written, we agree to the following additions:

Each shift will create and maintain a rotating force list. The list will be reordered on the 1st of every month or if Telecommunicators are transferred to different shifts because of shortages. The force list will be in reverse seniority based upon Telecommunicator seniority. Once an employee is forced or volunteers to take overtime in a force situation, they will be moved to the bottom of the force list.

The original forced Telecommunicator will have first the option to accept the force or put it up to all other Telecommunicators, who will then be able to take the forced 4 hours of overtime in order to move themselves to the back of the overtime force list. If no one takes the force, the original Telecommunicator is compelled.

The force list will be maintained by the Supervisor of that shift. This Supervisor will work with a union member assigned by the union to oversee the force list and review it each month before the reorder occurs. If there are questions that come up during or after a force situation they will make the decision together about the force. As each shift has their own force lists, only members of that shift may be forced over to the next shift or in early from a following shift. Telecommunicators on adjusted hours, swapped shifts, or overtime on their regular days off cannot be forced. The rotating force list system may be reviewed and adjusted through future Labor-Management Meetings.
